

Pomeranian Posh Fuck

We`r all animals. We all fuck. Some hornier than others, but we all do It. Actually our most important animal instinct besides our satanic survival force. Its egocentric. And pushed In the wrong direction It may make some do fucked up stuff to get It. Yeah we all fuck like beasts. Wonder If the dandies are any better than the rest. Like a dandy pomeranian posh fuck. Like expensive perfume, and all the right dandy moves..woff woff...

If you are fainted of heart you might want to consider If you should continue reading this now. Some of our greatest invention may have been discovered by someone who want to impress a girl. To get so popular, Its only to lay back and get your dick sucked & fuck her doggy until the 7 th heaven. So be a little extra careful If you`r a geek researching on quantum physics, you may discover something imploding us all too nothing In seconds. Go jerk off !

Music was & have never been a way to get laid for me. It has deeper meaning & Its been a way of survival. But you know, there`s been some girls. There`s been some broken beds, In the back of someone els car & waking up with who the fuck are you experiences. But Iv never seen myself as a sexual freak In any way, although some might say Iv even fucked the neighbours cat.

Unfortunately when you`r most of the time, or a lot of the time stoned, high or drunk. It may be difficult maintaining a healthy relationship, also like a job. So the not best version of myself occur. I don`t write because Im proud of everything Iv done but having a life like that Includes a couple fuck ups. If you read this and know what I mean. Sorry for that & lets move on. Iv also been hurt. If you have tried to kill me, conspired & worked against me, burned me, overdosed, suicided & died on me. Go fuck yourself your fucking cunts ! You dumb shits ! & Im keeping the thong, save It for a rainy day. Might smoke It.

Well as said, jobs. And yeah Iv cleaned up, had setbacks, cleaned up again. What don`t kill you makes you stronger. Sort of yep. I`ll tell about cleaning up later but that definitely Include the fighter ability. Im no Sunday school guy, will never be. And Iv definitely never considered my self as extremely handsome. Im ok. But after some years clean I started working at a children welfare centre. I guess I had an aura that some of the people there found Interesting. First I have to say I admire some of them people for doing that kind of job, some of them are great. The job Is awesome but really tough. You cant be to sensitive. Well anyway, short story loooong. Started working, sang my song After Midnight at a Christmas party & brought the guitar to job. Me being me, total chaos, 2 welfare centres closed down, & 1 almost burned down. After a while someone In charged said, you can only continue work here If you`r gay !

So I don`t work there anymore. But It was an awesome experience. Trying to make the youth stop doing drugs might be the most difficult job In the world. Pomeranian posh fuck, anyone seen that. Like dandy`s fuck fuck....Woff ! Woff !
